In *Praying Through Your Adoption*, adoptive mother Michele Cervone Scott shares how families can walk by faith through the unique joys and challenges of an adoption journey.

Through real-life adoption stories, scriptures, and situation-specific prayers, you will discover ways to:

- Recognize God's role in placing orphans with forever families
- Determine if adoption is right for you
- Explore practical financing options
- Pray about the specific details surrounding your domestic, international, or foster care adoption
- Wait and prepare for your child's arrival
- Adjust to adoptive family life
- Support, explain, and celebrate your child's adoption
- Rely on God to supply all of your needs

I recommend this book to all families involved in the adoption process.

~William J. Blacquiere, President/CEO of Bethany Christian Services
